

SPECIFICATION GUIDE

Angle Corner Steel Lab Wall Filler

- Ideal for scientific, research, or technical labs
- Fully-welded, heavy-gauge steel construction, lab grade finish
- Cleanly fills gaps at corners in wall mounted casework
- Model includes optional slopped top and 11" ceiling filler

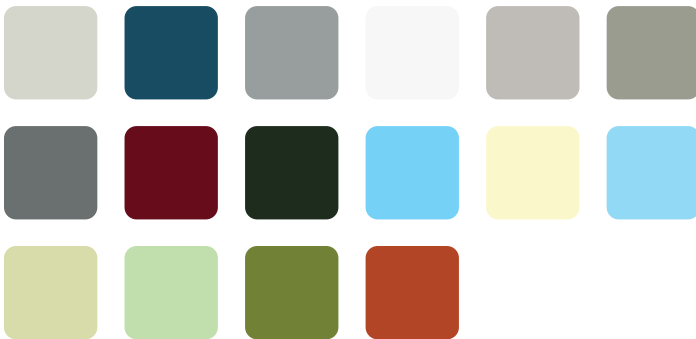

Construction

- Primarily constructed of 18 gauge ASTM A 1008 mild carbon steel. Also available in ASTM A 666 stainless steel.
- All parts are one-piece and fully welded.
- Uses high quality hardware, such as full extension ball bearing slides with five knuckle hinges as well as multiple handle pull options.
- Lab grade work surface options such as stainless steel, and epoxy resin.
